

19th India International Seafood Show: 2014

Rajiv Gandhi Centre for Aquaculture actively participated in the 19th India International Seafood Show - IISS 2014 organized by MPEDA with SEAI from 10th to 12th January 2014 at the Chennai Trade Centre, Chennai. RGCA put up a large stall (85 sqm area) to showcase the various aquaculture technologies in several species developed at its centers. Live animals from different projects of RGCA were exhibited in Aquarium tanks and Large FRP tanks. Miniature live models of Cage farming of Marine and Freshwater fish were also displayed for the benefit of the entrepreneurs visiting the Expo.
