

Minutes of the Pre-bid Meeting

(RGCA Tender No. 23/2022)

Name of the Work : Supply and laying of HDPE liner for pond works of Shrimp Evaluation Study Unit Rajakamangalam-repair and renovation of existing building/tanks, construction of new tanks & roofing works(truss)

Date & Time : 21.10.2022 (11:00 AM) through online mode

Pre-bid meeting was held on 21.10.2022 at 11 AM through online mode via the link provided in the Instruction to the Bidders while publishing the tender for the above mentioned work. Mr. SenthilMurugan from Metro Civil Technologies Pvt Ltd, Coimbatore participated in the meeting.

Following are the queries received and the clarifications given there by

Sl. No	Clause in the tender document	Query Raised	Reply from RGCA
1	Bill of Quantity (BoQ)	Quantity specified is 7000 Sq.m. However the material that is available in the market is of standard size (420m x 8m x 2 Rolls = 6720 Sq.m). Hence the quantity will not match	7000 sq.m is rough estimated value. Vendor may quote for standard sizes which could come with in the total 7000 sq.m
2	Special Conditions - clause 5 (k)(iv)	It is specified that experience should be in the field of aquaculture. However, HDPE liner work is done in several industry and the purpose of the work remains the same. Hence the field may be specified as "HDPE Liner works"	Examined and revised the tender document. Last date for bid submission is changed accordingly.
3	Special Conditions - clause 6	Import before 2 months is ok. Manufacturing should not be restricted	Clause is self-explanatory
4	Information to Bidders - Sl. No 5	Work completion duration is 2 months. What if rain comes and work not executable within the duration	Conditions specified in the tender document are self explanatory
